

Lesson Plan KS2

ENGLISH - Organ Tour Guide

Lesson Objective

To use devices to structure text and to guide the reader.

Starter	Main Teaching	Resources																		
Children share the most unusual or interesting fact that they have found out about the church organ. As a class choose one and show how to write this down in note form. How would you draw this fact? Could you act out this fact? Can you sing this fact? Which method best helps you to remember this fact?	Activity 1 - Present it Split the class into four groups, each with large sheet of sugar paper. Groups rehearse and then present what they have learnt about St. Mary and St. Giles Church Organ, but in different ways. Group 1: Write it (in note form) Group 3: Act it Group 2: Draw it Group 4: Sing it Activity 2 - Organise it Show the class a range of leaflets and elicit structural devices. Display the following and any other devices the children contribute. As a class, come up with an action for each device. <table><tr><td><u>Heading</u></td><td>Sub-heading:</td><td>c o l u m n s</td><td>b u l l e t s</td><td>table</td><td>Pictures</td></tr><tr><td></td><td></td><td>paragraph paragraph paragraph</td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td><td></td></tr></table> Activity 3 - Redraft it Discuss how the structural devices will help to guide the reader. Children return into their four groups and organise their presentation using the layout devices by acting out the devices to separate their information as they present it. Presentations could be videoed and played back during the writing stage where necessary. Activity 4 - Create it Children write their information leaflet about the organ, including structural devices. Share leaflets and discuss how the reader is guided through the information presented.	<u>Heading</u>	Sub-heading:	c o l u m n s	b u l l e t s	table	Pictures			paragraph paragraph paragraph										4 x Sugar Paper A range of information leaflets, collected in advance and/or Music for All @ SMSG information boards: English Resources 1 - 7 iPad for videoing
